***Response to Amendment***

1. The reply filed on January 7, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Claims 25-62 are drawn to a different invention than previously elected. The remaining claims are not readable on the elected invention because they are drawn to a combination and not the product as elected. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. The examiner would also like to aid the applicant, in that, if claims drawn to a combination of "a product and apparatus" or "a product and process" as submitted are pursued they would possibly be subject to a 35 USC 101 and 35 USC 112 utility rejection since they are not drawn to a statutory subject matter. Note specifically section (A)(2) below, copied from MPEP 2107.

**II. EXAMINATION GUIDELINES FOR THE UTILITY REQUIREMENT**

Office personnel are to adhere to the following procedures when reviewing patent applications for compliance with the "useful invention" ("utility") requirement of 35 U.S.C. 101 and 112, first paragraph.

(A) Read the claims and the supporting written description.

(1) Determine what the applicant has claimed, noting any specific embodiments of the invention.

- (2) Ensure that the claims define statutory subject matter (i.e., a process, machine, manufacture, composition of matter, or improvement thereof).
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Donald Loney whose telephone number is (571) 272-1493. The examiner can normally be reached on Mon-Fri. 8AM-4PM, maxi-flex schedule.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon can be reached on 571 272-1498. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
